HANBAT NATIONAL UNIVERSITY

Nurturing Global Talent for the Future
through Sincerity, Harmony,
and Creativity

HANBAT
NATIONAL UNIVERSITY

An Innovative Platform University — bridging region, industry, academia, and research

Hanbat National University is at the center of Korea.

The students are at the center of Hanbat National University.

The students are the hope and the future of our society.

Hanbat National University is operating various educational infrastructures and programs to create a campus where students are happy.

High HANBAT
NATIONAL UNIVERSITY

Meaning of our brand slogan

"High Hanbat" is the brand slogan expressing Hanbat National University's high ideals and dreams, familiarly expressed in handwriting. Among the initials, "i" stands for the number "1", meaning the best, and the briskly soaring bird-shaped hand on it symbolizes the high-fives exchanged to share friendship as well as the joy of victory. This means "To the world, in the future, Hanbat National University will be the best."

History

Hanbat National University has developed

1927~1984

1984~2001

A cradle for the education of Korean nationals and training of technical professionals

The School started as Hongseong Technical Junior College, which was established in 1927 with the aim of educating Korean nationals. Simultaneous with the relocation of Chungcheongnam -do Office to Daejeon in 1932, the School was relocated to Samseong-dong, Daejeon. The School strived to train talented young people with a sense of mission of educating Korean nationals amid various hardships during the colonial period.

- **1927.05.** Established Hongseong Public High School of Engineering Training
- **1951.10.** Renamed Daejeon Technical High School
- **1963.08.** Reorganized as Daejeon Vocational High School of Engineering
- **1979.03.** Reorganized as Daejeon Technical College

Taking a leap to become a four-year tertiary institution Establishing a future-oriented identity

The School changed from the two-year Daejeon Technical Junior College to a four-year open university for lifelong education of locals in step with the flow adopted in major countries including the United Kingdom. Some people were skeptical of the School as an open university, but those at the helm have taken one step after another to build a solid base for it.

- **1984.03.** Reorganized as Daejeon Open University
- **1988.03.** Renamed Daejeon Polytechnic University
- **1990.03.** Established the Graduate School of Industry
- **1993.03.** Renamed Daejeon National University of Technology
- **1994.08.** Ground breaking for Yuseong Campus
- **1995.01.** Inauguration of the 1st President, Dr. Gang Yong-Sik
- **1995.10.** Establishment of Academic and Cultural Research Foundation, Hanbat National University
- **1996.04.** Inauguration of the 2nd President, Dr. Chun Sung-Soon
- **1998.12.** Relocated the University HQ to Yuseong Campus
- **2000.04.** Inauguration of the 3rd President, Dr. Yeom Hong-Cheol
- **2000.09.** Opened the CEO Course at its Graduate School of Industry

in step with the country's industries.

2001~2012

2012~

As a state-of-the-art University, HBNU aims at becoming a guiding light

The School has been selected as a leading university for programs related to the development of cooperation between universities and businesses, the best university in a comprehensive evaluation of universities, and a leading educational institution in the evaluation of innovation work done by national universities.
The School is making progress in presenting a vision of global standards through cooperation between universities and businesses and boasts of international competitiveness.

- **2001.03.** Renamed Hanbat University
- **2002.07.** Inauguration of the 4th President, Dr. Sul Dong-Ho
